

## EVERYONE SHOULD ATTEND SOME S. S. SUNDAY MORNING

Every Church in the County Makes Special Effort to Have More in Sunday School on Sunday Than on the Previous Year.

Special efforts have been made this week by every protestant church in Maysville and Mason county to have a large attendance at their Sunday school on Sunday morning state-wide "Go-to-Sunday-School-Day."

Most every school in Maysville has had its committees busy for the past three weeks planning attendance and indications are that the crowds will tax the capacity of the various buildings. The City Board of Education has very kindly opened the High school building for the use of any down-town Sunday school that cannot accommodate the crowds and it is thought that several rooms in this building will be used as class rooms.

This is one day in the year when every man, woman and child should make a special effort to attend some Sunday school. There will be friendly rivalry between the schools as to attendance and every person is urged to attend the school of their choice. Of course, every church member is expected to attend Sunday school.

Many of the schools will have but one session, the Sunday school hour extending over into the church hour at which the pastor will make a short address.

No excuse will be accepted for those who remain away from Sunday school on next Sunday morning.

Seever, will address the audience on the work of the Community Church, and the following pastors will bring greetings from their churches: Revs. Barbour, Davis, Mullen, Peters. Don't forget the place—Hilldale. Time 2:30 o'clock.

## STATE EXCHANGE FOR KENTUCKY FARMERS

Commissioner of Agriculture Sends Out Blanks to Ascertain Needs of Rural Inhabitants.

Frankfort, Ky., May 6. — Kentucky farmers will be given a chance to exchange or sell anything from a pair of shoes or a sewing machine to a mowing machine, a stallion or a farm through the agency of a new department that is being inaugurated by Commissioner of Agriculture W. C. Hanna.

The commissioner has just had blanks printed and is sending them to farmers throughout the state for listing of the things they want to sell, exchange or buy. A weekly publication carrying the lists of things for sale or the needs of the farmers will be issued and mailed to farmers on the mailing list.

While the work will, for the present, be confined to selling and exchanging between farmers, eventually it is hoped that it will work into a real marketing bureau where the producer and consumer will be brought directly together. There are no real marketing laws in Kentucky such as some other states have and the department has no way to check on supplies and prices after they leave the farm.

Some of the county farm bureaus, such as the Jefferson county organization, have been conducting exchange lists for months. In the publications, most of which are simply mimeograph sheets, the farmers list the things they want to sell and exchange such as setting of eggs, machinery, cows, hogs and horses and in fact anything of use on the farm.

Members of the Mason County Health League are specially invited to attend. Rev. Mr. Seever is a very pleasing speaker and the public generally should hear what he has to say on the subject of practical christianity as applied to the health and welfare of the community.

## WEST UNION ESCAPED PRISONERS CAPTURED

Two of Three Men Who Escaped West Union Jail Are Captured Near Decatur After Wandering in Woods.

West Union, Ohio, May 6. — Albert Haines and Cecil Fields, two of the prisoners who escaped from the county jail last Thursday evening, were apprehended Friday afternoon near Decatur and returned to West Union that evening. The third man, Hervey Linville, is still at large.

Haines and Fields both said they were glad to get back to the jail. They had wandered about in their shirt-sleeves all Thursday night in the cold rain, and kept to the woods Friday until they were captured.

The two men said Linville had left them as soon as they had crawled out through the hole they had made in the jail wall, going in a different direction than being the last they had seen of him. After roaming about in the rain all night, not knowing in the dark where they were going, Haines and Fields said that at the break of day Friday they found themselves just a short distance south of West Union. They then cut across the country through the woods and deserted portions toward Decatur.

### SAW BAND IN MOVIES.

Little Miss Virginia Watkins, who is in Cincinnati, this week-end on dancing engagements, writes back this card:

"My dear Mr. Russell: Mother and I were in the Strand Theater this afternoon and imaging our surprise to see you at the head of our wonderful band marching behind President Harding. We were able to plainly recognize all the boys and it was surely a grand picture of you all. Mother and I were so thrilled we just had to applaud. I hope all Maysvillians will get to see this Parthe."

"VIRGINIA WATKINS."

## ANNUAL CLASS PLAY GIVEN BEFORE VERY LARGE AUDIENCE

Washington Opera House Filled With Relatives and Friends of Graduates — Every Member of Cast Does Themselves Proud.

The annual class play of the Senior class of the Maysville High School given Friday evening at the Washington theatre was a decided success in every respect. Each member of the staff is entitled to special mention for the manner in which they presented their part.

The cast was well chosen to fit the various parts and the play was a farce comedy which kept the house in roars of laughter throughout.

William Cochran, Mitchell Matthews Lyde Chenault and Elizabeth Glascock in the leading parts, were fine. Thelma Arthur, as Mrs. Podge, the landlady, probably had the most difficult role in the play, and according to many, is entitled to first honors for her perfect interpretation of her role.

Evelyn Taulbee, as an art collector, was splendid. Roger Caplinger, as a black face, was the scream of the show. Elizabeth Newell and Robert Clift in the lighter roles, did their parts well to make the play a success. Frank Boughton as the Irish janitor, is entitled to credit for many laughs and appeared at home on the stage.

Miss Rosalind Gant, teacher of English in the High School, who was the director of the play, is entitled to joint credit with the cast for the show's big success.

The distribution of nine millions of dollars among tobacco growers of the Burley Co-operative Association on Saturday, May 20th will make business in this section rather lively for a few days at least. Many thousands of this money will go into the hands of Mason county growers.

Ernest Jones, who led the gang of jail breakers at the Mason county jail last February and who has been arrested at Lexington, will be returned here. Jailer Wheeler had offered a reward for Jones' arrest on the local charge.

## HAS BEEN PLAYING BARNARD'S MUSIC IN AUSTRALIA

Noted California Musician Consults Local Band Leader on the Best Numbers For Cornet.

George D. Barnard, director of the Cardinal and Horseshoe bands, is a musician of more than national reputation. The following letter will be of much interest:

"Dear Sir:—Knowing that you have written some cornet duets, I am writing to ask you what you consider the best of them, giving them in their order of merit."

"You and I have a mutual friend in W. Scouton, and it also might interest you to know that I am a native of Australia and before coming to this country had the pleasure of playing quite a number of your compositions with my band in Navyborough, Victoria. Have always liked your style and this is the reason why I am writing for the names of what you consider your best cornet duets, and the publisher."

"Have seen very fine accounts of your ability as a band teacher in the 'Musical Messenger.' I have been writing articles for this paper since last August."

"Hoping to hear from you at your earliest convenience and with all best wishes, Fraternally,"

"H. ARCHIE RICHARDSON."

### P. T. A. CALLED MEETING.

## FOREIGNERS IN CHINA MARCHED ON BY MUTINEERS

Americans and Others in China Are Endangered By Angered Mobs of Mutineers Who March on Foreign Quarters.

Shanghai, May 6. — Ten thousand mutinous Chinese troops are reported marching upon Tientsin to loot the foreign quarter. The whites are preparing for a desperate defense.

These troops are the remnants of the shattered army of General Chang Tso Lin, seeking revenge for their crushing defeat by General Ku Pei Fu's forces.

Dispatches filed from Tientsin at 3 a. m. said scouts had observed the mutineers near the city.

The situation is similar to that which existed in Peking during the Boxer siege.

The whole foreign population is taking up arms to assist in the defense, dispatches reported.

One American and one British regiment were co-operating along the outer line of defense, the messages said, and the French Annamite troops were being strengthened by reinforcements of French civilians.

Scouts reported large bodies of the mutineers were coming from the direction of Luofa. They are disorganized utterly, marching like armed mobs. The mutineers are firing on villagers, the reports said.

DON'T MISTAKE THE CAUSE  
 Many Maysville People Have Kidney Trouble And Do Not Know It.

Do you have backache? Are you tired and worn out? Feel dizzy, nervous and depressed? Are the kidney secretions irregular? Highly colored; contain sediment? Likely your kidneys are at fault. Weak kidneys give warning of distress. Heed the warning; don't delay—Use a tested kidney remedy. Read this Maysville testimony. Bryan Greenlee, proprietor grocery store, 228 West Third street, says: "About two years ago I had an attack of kidney trouble and I suffered a lot from backache. There was a deep seated pain across the center of my back. I was repairing machinery at that time and when doing any kind of stooping work I could hardly straighten up. My kidneys were not acting regularly and in other ways showed signs of disorder. I went to Wood & Son's Drug Store and got a box of Doan's Kidney Pills and began using them. They fixed me up in good shape and I have never been bothered since." Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Greenlee had. #### FEDERAL AID TO ROAD BUILDING IN SOUTH CENTRAL STATES

Government Has Contributed Large Sum Toward Road Building In States of the South-Central Group.

As Federal aid in the construction of highways since 1916, the government has appropriated \$350,000,000. The mileage of roads constructed in each state with this fund in conjunction with other funds is shown by a report of the Bureau of Public Roads of the United States Department of Agriculture dated March 31. For the East South Central group of states the figures are as follows:

Kentucky, 188.7 miles completed; 260.1 miles for which funds have been allotted; total mileage, 448.8; funds available for new projects, \$1,655,434. Tennessee, 65.5 miles completed; funds allotted for 458.7 miles; total, 524.2; funds available for new projects \$628,998.

Mississippi, 228.6 miles completed; funds allotted for 611.6 miles; total mileage 840.2; funds available for new projects \$1,428,484.

Total miles completed 813.3; mileage for which funds have been allotted, 1,946.2; total mileage 2,759.5; total funds available for new projects \$4,931,546.

#### RIVAL COMPANY OPENS DOOR TO MAMMOT CAVE.

Glasgow. — Underground rivalry for exhibiting America's greatest hole in the ground is a future possibility. After a year of secret preparations, Morrison Cave, really a new entrance giving access to fifty miles of Mammoth Cave, was opened to the public. For more than a year workmen of the Morrison Development Company have been drilling three miles from the cave. They were seeking an onyx vein, everyone understood. But the drilling ceased; workmen carried away their tools. It was with surprise the countryside learned that tourists, and not onyx, was the treasure sought. Promoters of the new cave project claim to hold leases on a lengthy portion of the cavern, including Cathedral Dome, shown, but alleged, not owned by the Mammoth Cave people. The Morrison Cave survey will be closed until their holdings are fully proved. The new entrance is three hundred yards from the Cave City-Mammoth Cave road. The company plans a half million dollar hotel.

Both men, when given an opportunity to make a statement showing cause why the judgment of the court should not be pronounced against them, stated emphatically that they were not guilty but said they intended to be on their good behavior and get out as soon as possible to start life over again.

During the term of court closed Saturday considerable business has been transacted although no long trials were held. A large number of cases went over to the next term of court.
